

Import Detention Day Rate Schedule

Updated: 15 October 2019

Import Container Detention is calculated from the day that the container is discharged from the vessel at the terminal. Import Container Detention only stops calculating when the container has been de-hired to the empty container yard nominated by the shipping line.

The charges for Import Container Detention levied by the various shipping lines are set out in the schedule below.

Shipping Line	Container Type	Free Days	Chargeable Days	Rates Per Day (20ft)	Rates Per Day (40ft)
